Vendor Insurance Program

A Liability Insurance Program Providing Protection from Lawsuits of Bodily Injury and/or Property Damage

The Francis L. Dean & Associates vendor liability program has been structured to meet the needs of vendors big and small. We have specifically tailored programs in place that offer the coverage you need to keep your business protected. Our programs are available for one-day special events, annual policies, and anything in between. While many vendors are accustomed to acquiring insurance on a solo basis, Francis L. Dean & Associates also offers the convenience of group policies. For events with multiple vendors, our group policies help save time and money while still offering the same world-class protection and customer service we are known for.
